Savannah / Aaron,

We will be hosting our Sugarbeet Education Foundation tour during the recess, August 28 - 30. We are planning to fly participants to Fargo, ND where we will visit family farms during sugarbeet early harvest. We will show you how sugar is made from beets by taking a factory tour. We plan to include current technology used on farms today as well as interact with our agriculturists and researchers.

We work with the appropriate ethics committee which requires approval 30 days in advance of travel. We need to have attendance commitments in place by Monday, June 17. Each Member Office has their policy and approval process so please start early so we can meet the deadlines.

Thanks again for your consideration in attending our tour. Please contact me with your questions.

Sincerely,

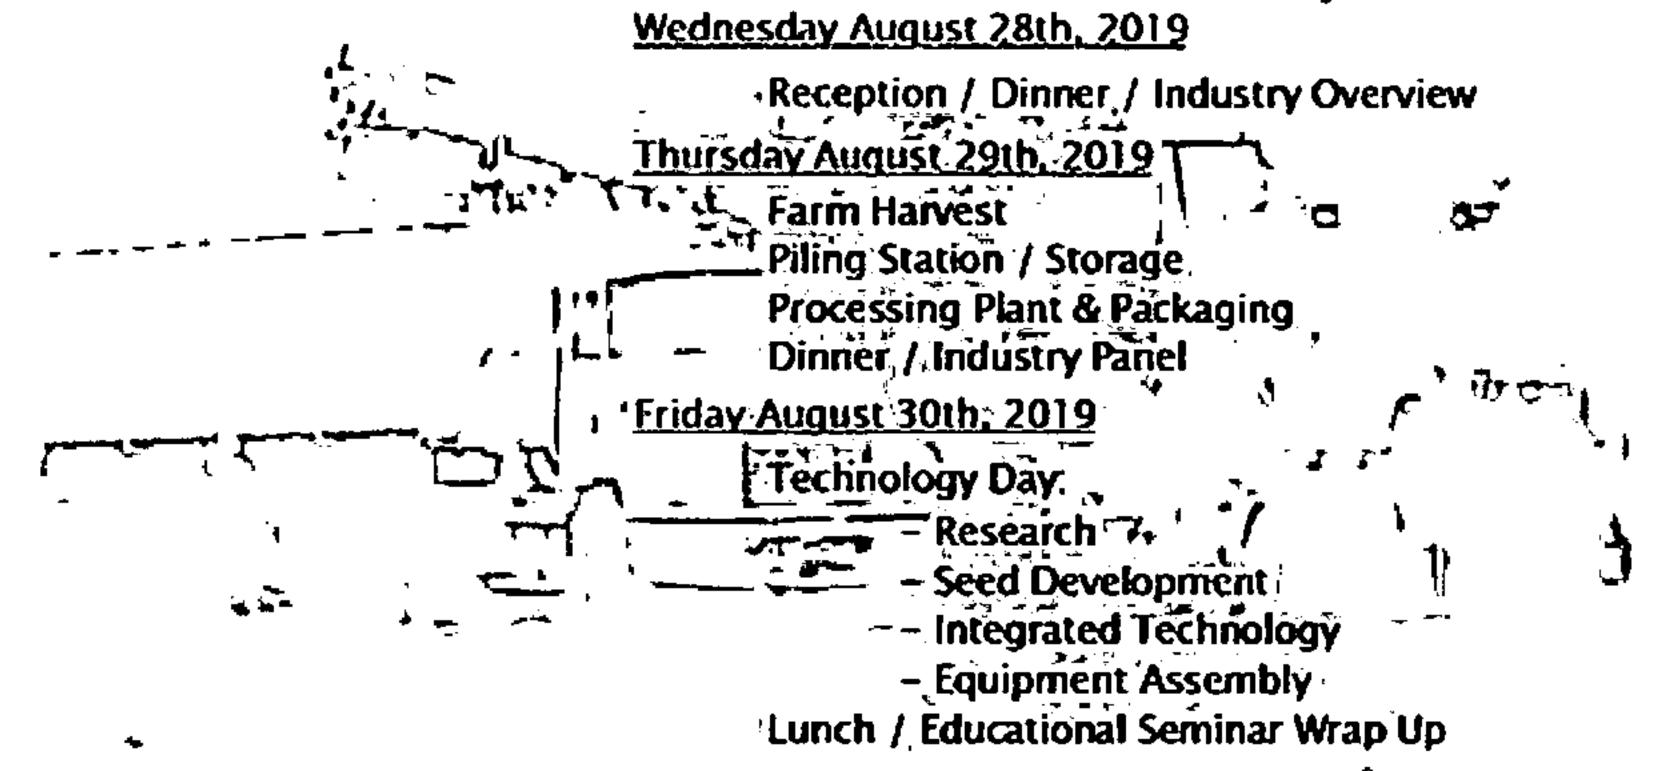

Duane Maatz
